NOTICE

Bonds

This notice is hereby issued to all Agents and FDL licensees regarding the refund of bonds process.

It is essential for any FDL company applying for the refund of bond process to maintain its status as a registered company in the Companies Registry until the refund process is concluded.

This is to ensure that the company's **legal status remains unaffected** during the refund process and does not hinder the necessary documentation required for the bond's refund.

The *removing of the company* will only take place once the bond refund is completed.
